Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans and Policy Staff

DATE: 14 November 48

FROM : Requirements Division, P&T
25X1A

SUBJECT: [REDACTED] query on USAF requests for information

These information copies do not reach Requirements Division through other channels, since no provision has been made for ORE coordination of IAC requirements on their own collection facilities. It would, however, be possible to issue RD's requesting information in response to those IAC requests of interest to ORE components, provided always that retention copies of the IAC requests were received. Under the present system, Requirements Division cannot circulate the requests through the branches for expressions of interest.
